# INTRODUCTION

---

Carolina Movement Family!

God continues to fan the flame of our church planting movement! 2023 has been another testament to God's faithfulness in our calling to transform the spiritual landscape of North Carolina through partnering with sending churches to plant churches that plant churches!

By the grace of God, we have seen a 100% increase in the number of CM churches planted, going from 6 churches planted in 2022 to 12 churches planted in 2023. We are moving closer to our vision of planting 100 churches in North Carolina by 2027.

Looking forward to 2024, we are praying boldly for the Lord to continue to multiply followers of Jesus and church plants across North Carolina. We believe God is shaping us into an actual church planting movement to see sending churches and church plants in all 100 counties in NC!

As you read through our 2023 Impact Report, I pray you are inspired by the changed lives and communities impacted by the power of Jesus Christ. Thank you for your partnership in the Gospel! We give all the glory to God for what He has done!

# PLANTING ON PURPOSE

---

## MISSION

“Helping every church become a church planting church”

## 10 YEAR VISION:

“100 NC Churches Planted by 2027”

## BIG DREAM:

“Carolina Movement Sending Churches and Church Plants in ALL 100 COUNTIES in NC!”

# MOVEMENT DEFINED

YOU CAN'T ACHIEVE  
WHAT YOU CAN'T DEFINE.

*"A church planting movement is an indigenously led Gospel-planting and obedience-based discipleship process that resulted in a minimum of one hundred new locally initiated and led churches, four generations deep, within three years."*

*- David Watson (Contagious Disciple Making)*

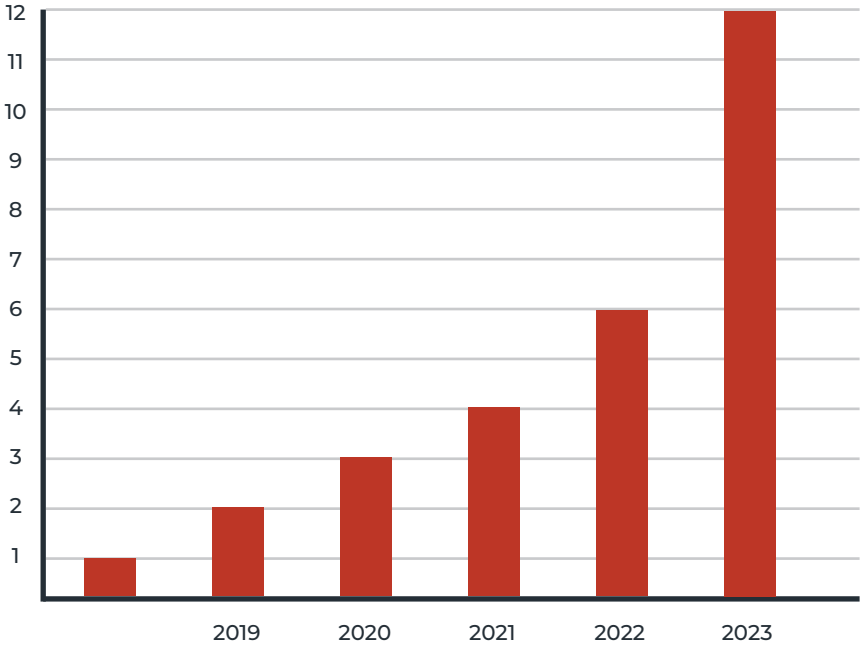

## OUR DEFINITION OF A CHURCH PLANTING MOVEMENT IN NC:

*"A rapid and exponential increase in the # of new believers & churches in NC through 100+ new churches planted & 10,000+ new people baptized within 3 years representing at least 4 generations of church plants."*

**This is our dream! We are praying and working to see a church planting movement in NC that reaches all 100 counties with the Gospel of Jesus Christ!**

# OUR MODEL

---

## *EVERY CHURCH A CHURCH PLANTING CHURCH!*

### **PLANT SENT**

#### **No More Orphans**

Organizations often sponsor church plants without the plant having a sending church to provide covering, prayer, resources, and support. The unintended result is that church plants become spiritual orphans. In our model, every church plant has multiple sending/mother churches.

### **PLANT DIRECTLY**

#### **No More Middle Men**

When a sending church becomes engaged with a specific church plant, it becomes more passionate about church planting. Having a direct relationship with a church plant allows churches to engage their congregation in praying for, serving with, giving to, and sending out people to help the new church plant.

## **PLANT IMMEDIATELY**

### **No More Waiting**

Most church plants never end up planting another church. The only way to see a church planting movement is through churches planting churches that plant churches. In our model church plants immediately become sending churches by joining a church planting coalition immediately after their grand opening!

## **EVERYONE PLANTS**

### **No More Mega Mentality**

Many smaller to medium size churches think they don't have the resources to plant a church. However, we believe church planting should not just rely on mega churches with mega budgets. We set the funding level at a place where every church can become a sending church through joining a coalition of sending churches.

## **PLANT TOGETHER**

### **No More Solo Planting**

Church planting coalitions provide multiple sending churches for a church plant. A single sending church does not have the pressure of providing all the support and resources. Church Plants thrive when supported by multiple sending churches while Both gaining the organizational and operational support of Carolina Movement.

# STORIES OF FAITH FROM CAROLINA MOVEMENT PLANTS!

"Joe came to our church one Sunday and his first words to me were, "my life is falling apart." He was addicted to drugs and came to Christ a couple weeks prior watching bible stories on TV! One memory I'll never forget - He actually allowed me to flush his pills one day after meeting. A few weeks later we baptized him. He is now working a job, getting on his own two feet financially, and living a great life in Christ."

**Adam Pickard (Citizens Church)**

We had 2 guys who were baptized during our pre launch phase. One is Jaleel, who was formerly a Muslim for 16 years and Colin, who chose to follow Jesus in baptism at our inauguration service!

**Jamal Hyman (Abide Bible Church)**

During one of our Reliant Church baptism ceremonies, Frankie watched people following Jesus. She was so moved during baptism and spontaneously decided to jump in without turning back!

**Seth Odom (Reliant Church)**

Austin had been out of church and far from God for many years. After a sermon on the right ingredients for a right relationship with Jesus, Austin made the decision to return to God in faith and follow him in baptism! Him and his wife have both joined our launch team.

**JT Riley (Local Point Church)**

Pamela is a single lady who started attending our Life Groups. She could not come to Sunday gatherings because of her work but started faithfully gathering with her group and learning the practices of being with Jesus. She found her way back to God after many years of walking away from Him. She was baptized on our Friend's day and brought her Mom for the first time!

**David Rengifo (Esperanza Church)**

"We had a teenage refugee boy named Abbas come to Jesus & be baptized right after he witnessed someone else get baptized. Many have shared the gospel throughout his time with us & he accepted but was hesitant to be baptized. When he saw what it meant to be baptized he came up wanted to be baptized also. It was a great example of how the Holy Spirit worked in his heart right at that time to step in faith."
